

Discovering Dumfries and Galloway's Past

Discovering the archaeology of Corehead

TUESDAY 25TH SEPTEMBER

7.30 PM · ANNANDALE ARMS HOTEL, MOFFAT

A volunteer team has been exploring the archaeology at Corehead Farm – including searching for the lost tower.

Come and find out what they've discovered.

The talk will include the results of survey carried out on 18th September – please contact Giles Carey if you would like to get involved. No experience necessary – just enthusiasm!

Seeing beneath the soil: Map from 1590 showing the site of Corehead Tower and survey mapping buried archaeology (Images: Courtesy of British Library and Annandale Observer)
